Cable Hauling Record Sheet

Project

J427 BOSCO - general tasks

Date

27-05-2026

Haul Location

test

Haul section from:

test

Haul section to:

test

HAULING CONTRACTOR

Contractor: Bryce O'Sullivan Contracting Ltd

BOSCO Supervisor

Maria Field Test

DRUM: CABLE & LUBRICANT

Cable Manufacture

test

Cable type

test

Cable size

300mm2 AL XLPE

Haul Lube est. litre rate/m

test

Cable Lube type

Polywater F

HAULER

Dynaometer (type, serial, no. calibration date)

test

Maximum Tension Allowed

test

Maximum SWBP Allowed

test

METRE READINGS

Metre Reading (start of haul)

test

Metre Reading (finish of haul)

test

TOTAL METRES HAULED

test

Readings @ time intervals of

1 minute

Is the Hauling Pit clean & ready?

Yes

No

Are the Ducts clean?

Yes

No

Drum & Cable checked for damage

Yes, ok

Fault

If drum or cable fault/ damage, please explain in detail

test

Please provide photo of fault/ damage
